

## BRISTOL BOARD WRITES TOWNSHIP ABOUT STUDENTS

Explains Why It is Necessary To Reject Students in September

### WRITE TO MR. VETTER

Gives Facts and Figures To Show the Crowded Conditions

A letter addressed to the Bristol Township School Board, by the Bristol Borough School Board, as the result of a special meeting of the Bristol School Board held Monday evening, was today released to the press, so that the public may be kept fully informed, a spokesman for the Board stated.

The letter reads: February 13, 1952  
William L. Vetter, President,  
Bristol Township School Board,  
Main Street, Bath Addition,  
Bristol, Pa.

Dear Mr. Vetter:  
At a meeting held Monday evening, February 11, 1952, for the purpose of considering ways and means of relieving the overcrowding of our high school facilities, our School Board concluded that it could not accommodate Bristol Township pupils after June, 1952, and instructed me to notify you to that effect.

Needless to say, our Board reached this conclusion most reluctantly. It is a grave, momentous decision, far-reaching in its consequences, and deserves a full explanation. As you are aware, our high school facilities have been overburdened for several years, to the extent that we have been obliged to use even the cafeteria as a study hall several times a week. Each of our teachers is carrying from 180 to 225 pupils per week—the normal number

## JEWISH CENTER BUYS THE MONTESSORI CAMP

Trenton Group Purchases 26-Acre Bucks Co. Camp For \$30,000

### PLANS FOR FUTURE

TRENTON, N. J., Feb. 15 — Announcement is made of the purchase by the Jewish Community Center of the Montessori camp site, six miles from Newtown, in Bucks county, Penna.

Purchase price is listed at \$30,000. The 26-acre site is complete with swimming pool, athletic field, cabins, and other facilities for summer and day-camping activities.

George Warren, president of the center, states that the camp is 18 miles from the center of Trenton. The camp includes a concrete swimming pool, 60x100 feet, with water change of 10,000 gallons per hour, and approved by Pennsylvania State Board of Health.

The control gate of the concrete swimming pool makes it possible to regulate the depth for children of various ages. There are also artesian wells, boats and a boating area located in Linghocken creek on the property.

There are ten camp buildings consisting of lodges, shower houses, etc.; five newly constructed tents; one combination barn which is to be used for arts and crafts workshops; one newly constructed ranch-house with fireplace, kitchen commissary and flush toilets; a nature study pavilion and guest cabin fully supplied with showers and electricity; athletic fields with regulation baseball diamond, 1/2-mile track, football and soccer field, tennis and volleyball courts, outside fireplaces, etc.; and a horseback riding corral.

Dr. Bernard Kushner reports the camp is covered with 26 varieties of shade trees. Dr. Kushner, vice-president, has been asked by Warren to coordinate the administration and maintenance planning

### BRISTOL PUPILS VOTE FOR "CONSOLIDATION"

Balloting on Two Questions Conducted Among Senior High Students

### BY STUDENT COUNCIL

Participating in a senior high school poll, Bristol high school pupils of grades 10, 11 and 12 voted 349 to 17 in favor of "consolidation", and 287 to 18 in opposition to each district (Bristol borough and Bristol township) having its own school.

The balloting took place on Tuesday at Bristol high school, with tabulation following yesterday. The poll was sponsored by the Student Council and conducted among students of the senior high school.

Question No. 1 was "Are you in favor of consolidation which would give us a high school comparable to a large city high school?" The result of the balloting was: Yes, 349; No, 17.

Question No. 2 was "Are you in favor of each district having their

### Eddington Man Dies Watching "TV" Program

EDDINGTON, Feb. 15 — Stricken while watching a television program shortly after last midnight, Norval E. Benner, 45, died within a few minutes. Death is attributed to a heart ailment. Mr. Benner had been under the care of a physician recently, but had gone to his work yesterday at the Philadelphia Naval Base.

Members of the Benner family had also been in the living room watching the program, but they had retired. Hearing Mr. Benner breathing heavily they discovered he was ill, and a physician was summoned. A communicant of St. Charles R. C. Church, Cornwells Heights, he was also a member of the Holy Name Society.

Formerly of Frankford, Mr. Benner moved to Park avenue nearly five years ago.

Surviving are his wife, Margaret Brennan Benner; two daughters and two sons; the Misses Margaret and Patricia Benner, James J. Benner, of this community; and Cpl. David J. Benner, in Germany.

Dr. William L. Goldfarb, Bristol, deputy coroner of Bucks County, was called in the case.

### Rudolf Becker, 55, Was Serving One Customer at Time Bandit Entered; Becker Dives Through Door Into Kitchen, Yelling to Chef; Bandit Falls As He Runs For Waiting Automobile.

OAKFORD, Feb. 15 — An unsuccessful attempt was made yesterday afternoon to hold up and rob the Oakford Inn, along Route 1. The bandit, after firing one shot, fled without obtaining any money. He fired the shot at his pursuers.

Pvt. Keith R. Dane, of the Langhorne State Police Station, said the proprietor, Rudolph Becker, 55, was serving the only customer in the place when the bandit entered about 3 p. m.

The stranger ordered a beer and drank it slowly until the other customer left, Dane said. He ordered a second beer, and as Becker opened the cash register for the sale, the bandit pulled out a pistol.

"Give me the dough," he ordered Becker. Dane said the man appeared to Becker to be "very nervous."

Becker dove through a door leading into the kitchen, shouting a warning at the same time to the chef, Eric Radke, 40, who arrived in this country from Germany less than a month ago.

### FIND MAN'S BODY MISSING 2 MONTHS

Body of Harry R. Smith, 72, of Croydon, Recovered in Creek

### MISSING SINCE DEC. 17

The body of Harry R. Smith, 72, Croydon, was found yesterday afternoon along Neshaminy Creek, near the Glenn Ashton Farms, on the west side of the creek. Smith had been missing since the night of Dec. 17th, last year, when his coat was found on a bridge abutment at Route No. 13, Bridgewater.

Two notes, signed by Smith, were found at the time. There was a hole in the ice-covered creek immediately below the bridge, which led searchers to believe, at that time, that Smith had jumped or fell from the bridge into the ice-choked creek.

Those finding the body yesterday are George Blackburn, 10; Charles Sipinski, 10, and Richard Steuber, 10. The group saw an object floating in an inlet opposite Walnut avenue and Neshaminy road. The boys summoned Edward Wiener, 63. Wiener went to the spot and with the boys was able to pull the body into the shore with long sticks. The group was joined by Michael Finney, Blackburn said. "It looks like a man's body." Then having the Smith tragedy in mind, he answered by saying "it could not be him."

The body was about seven feet off the shoreline, and the discovering party lifted it up out of the water. A call was sent for the Bucks

Mrs. I. Ward Bintliff, Edgely, was in charge. Mrs. Russell Subers, Edgely, conducted the devotional period.

Secretary's and treasurer's reports were read.

Mrs. William Lobecker was appointed chairman of the special music committee. Mrs. Warren Bruce was named to the sick committee, to be assisted by Mrs. Olson, Fairless Hills, and Mrs. Joseph Veisz.

Plans were made for the special Lenten service the evening of March 19th, to be conducted by the class.

The March meeting will be at the home of Mrs. William Lobecker, Fallsington, March 13th, instead of March 12th, due to the special Lenten service the former evening.

## LATEST NEWS BULLETINS

### Allied Tanks Ram Into Kumsong

Seoul — Allied tanks rammed into the blasted Korean mountain hub of Kumsong today amid a renewed flareup of fighting marked by intensified Red probing onslaughts along the east and central fronts. The armored foray into Kumsong came in the afternoon following Red thrusts against Allied lines south of that mid-Korean city and in other sectors. The tankmen killed 25 Chinese soldiers manning bunkers in hills overlooking the former communications pivot which has lain shattered in a virtual no man's land since last autumn.

### King George Buried As Nation Weeps

Windsor, Eng. — King George VI was buried today at Windsor Castle, final resting place of British Monarchs, amid the tears of his subjects, including the brother whose abdication put the burden of empire on George.

A choir sang "The Strife is Over" and "I Heard a Voice From Heaven" as the Archbishop of Canterbury committed the body to burial in St. George's chapel, the famous Gothic Church at Windsor.

The whole nation came to a halt at 2 p. m. (9 a. m. EST) in memory of the dead, sailor King who saved a throne shaken by world war, revolutions and the abdication for love 15 years ago of Edward, now the Duke of Windsor.

A nationwide two minutes of silence was observed. All traffic halted in every city and town. Newspaper presses were still. The radio was silenced.

George's body was placed in a vault in the chapel where his father, George V, rests while hundreds of visiting dignitaries—including eight crowned heads of state, watched.

The king's daughter, Elizabeth, sprinkled earth on the coffin as it sank into the vault.

### Tape Recording Used As Program for Rotarians

An unusual program was furnished by Otto Grupp at yesterday's meeting of Bristol Rotary Club.

Instead of the scheduled speaker, Mr. Grupp presented extracts by tape recording of the four hours meeting held before the District Engineer Corps, when all interested parties of both sides of the Delaware River stated their approval or objection to the deepening of the river channel.

### 8 Makefield Residents Seeking Annexation

MORRISVILLE, Feb. 15 — A petition is to be submitted to Morrisville borough council seeking annexation to this borough of a section north of Morrisville borough and east of the canal, in Lower Makefield township.

Eight residents of Lower Makefield township are the signers.

A meeting with council is sought to discuss the matter.

### GRASS FIRES

**HONORING THE OBSERVERS**  
Rep. J. Caleb Boggs of Dela-  
ware has introduced a bill in Con-  
gress for a postage stamp to honor  
the nation's volunteer weather ob-  
servers. Certainly they deserve  
suitable recognition. Mr. Boggs  
is right when he says these 10,000  
men and women are performing a  
mighty valuable service. In every  
state they make weather observa-  
tions in all sorts of places.

These amateurs carry on day  
after day and year after year with  
their observations — rainfall,  
snowfall, wind velocity, and the  
like. Their reports go to the near-  
est weather bureaus, and thence  
into the necromancy of prediction,  
which the professionals handle.

It's a world-wide fraternity.  
One day in 1945 a U. S. Navy  
aerologist, jeeping around with a  
friend, was talking with an old  
parish priest in a remote village in  
the Philippines. It turned out the  
priest followed his predecessors'  
hobby of noting the weather, ty-  
phoons and all. Such a delighted  
talkfest is rarely seen. And a fleet  
airwing got information it needed  
but couldn't get otherwise.

A few persons have expressed  
doubt as to what history will say  
about the current custom of hon-  
oring chicken growers, volunteer  
firemen or weather observers with  
United States postage stamps.  
There have been complaints that  
the great variety of commemora-  
tive stamps verges on the ludic-  
rulous.

Has anyone a suggestion for  
another way of honoring the vol-  
unteer weather observers? It  
should be remembered they don't  
do the predicting.

**A NEW SAFETY PROBLEM**  
Safety campaigns aimed at re-  
ducing the toll of the motor car  
on the nation's highways had their  
inception more than three decades  
ago. Recently the 1,000,000th  
automobile fatality was announ-  
ced. This is not proof that efforts  
to reduce the death toll on the  
highways have failed. The tally  
might have been 2,000,000 per-  
sons killed since the "gas buggy"  
first made its appearance if the  
problem had been ignored.

The plight of Elizabeth, N. J.,  
a city of more than 100,000 popu-  
lation, where three major airlines  
en route to or from Newark Air-  
port have crashed in a month, with  
a toll of more than 100 lives, raises  
the question whether a new safety  
problem has arisen. Residents of  
Elizabeth demand that the airport  
be moved from the congested area.

Huge airfields at nearly every  
large city are so located that be-  
hemoths of the air taking off or land-  
ing pass over built-up sections at  
low altitudes. Thousands of per-  
sons, reading of the crashes in  
Elizabeth, must have an uneasy  
feeling every time they hear a  
huge plane passing over their  
homes at low altitude.

Egypt acquired a new premier  
before anyone had learned how  
to pronounce the name of the last  
one.

**The School Situation As Students See It:**

**Students Protest  
Barring of Pupils**

Continued from Page One  
by Hibbs and Alfrey, reads as fol-  
lows:

"February 13, 1952  
"We, the undersigned class of  
1953, at Bristol high school protest  
against the action taken recently  
which lead to the exclusion of the  
township students from Bristol  
high school by the Bristol borough  
school board for the coming school  
term. A most important year for us  
since we will be seniors.

"We take this action because the  
township as well as the boroughs  
students had to make an adjust-  
ment at the beginning of the pres-  
ent school year. An adjustment  
which is difficult to make, and we  
are now happy as a class.

"Furthermore, we feel that by  
breaking up our high school career  
once more it would be most unsat-  
isfactory for the continuity of our  
studies, extra-curricular activities,  
and for the undersigned a complete  
destruction of our morale.

"By taking this action, we, the  
class of 1953, do not want to be ag-  
gressive, but do hope that a com-  
promise can be reached by both  
school districts to allow us to re-  
main as the class now stands.

Yes, 18; No, 287.

William White is president of the  
Student Council and Andrew Ac-  
cardi is vice president. The latter  
explains that 388 were polled, and  
some of those who did not vote on

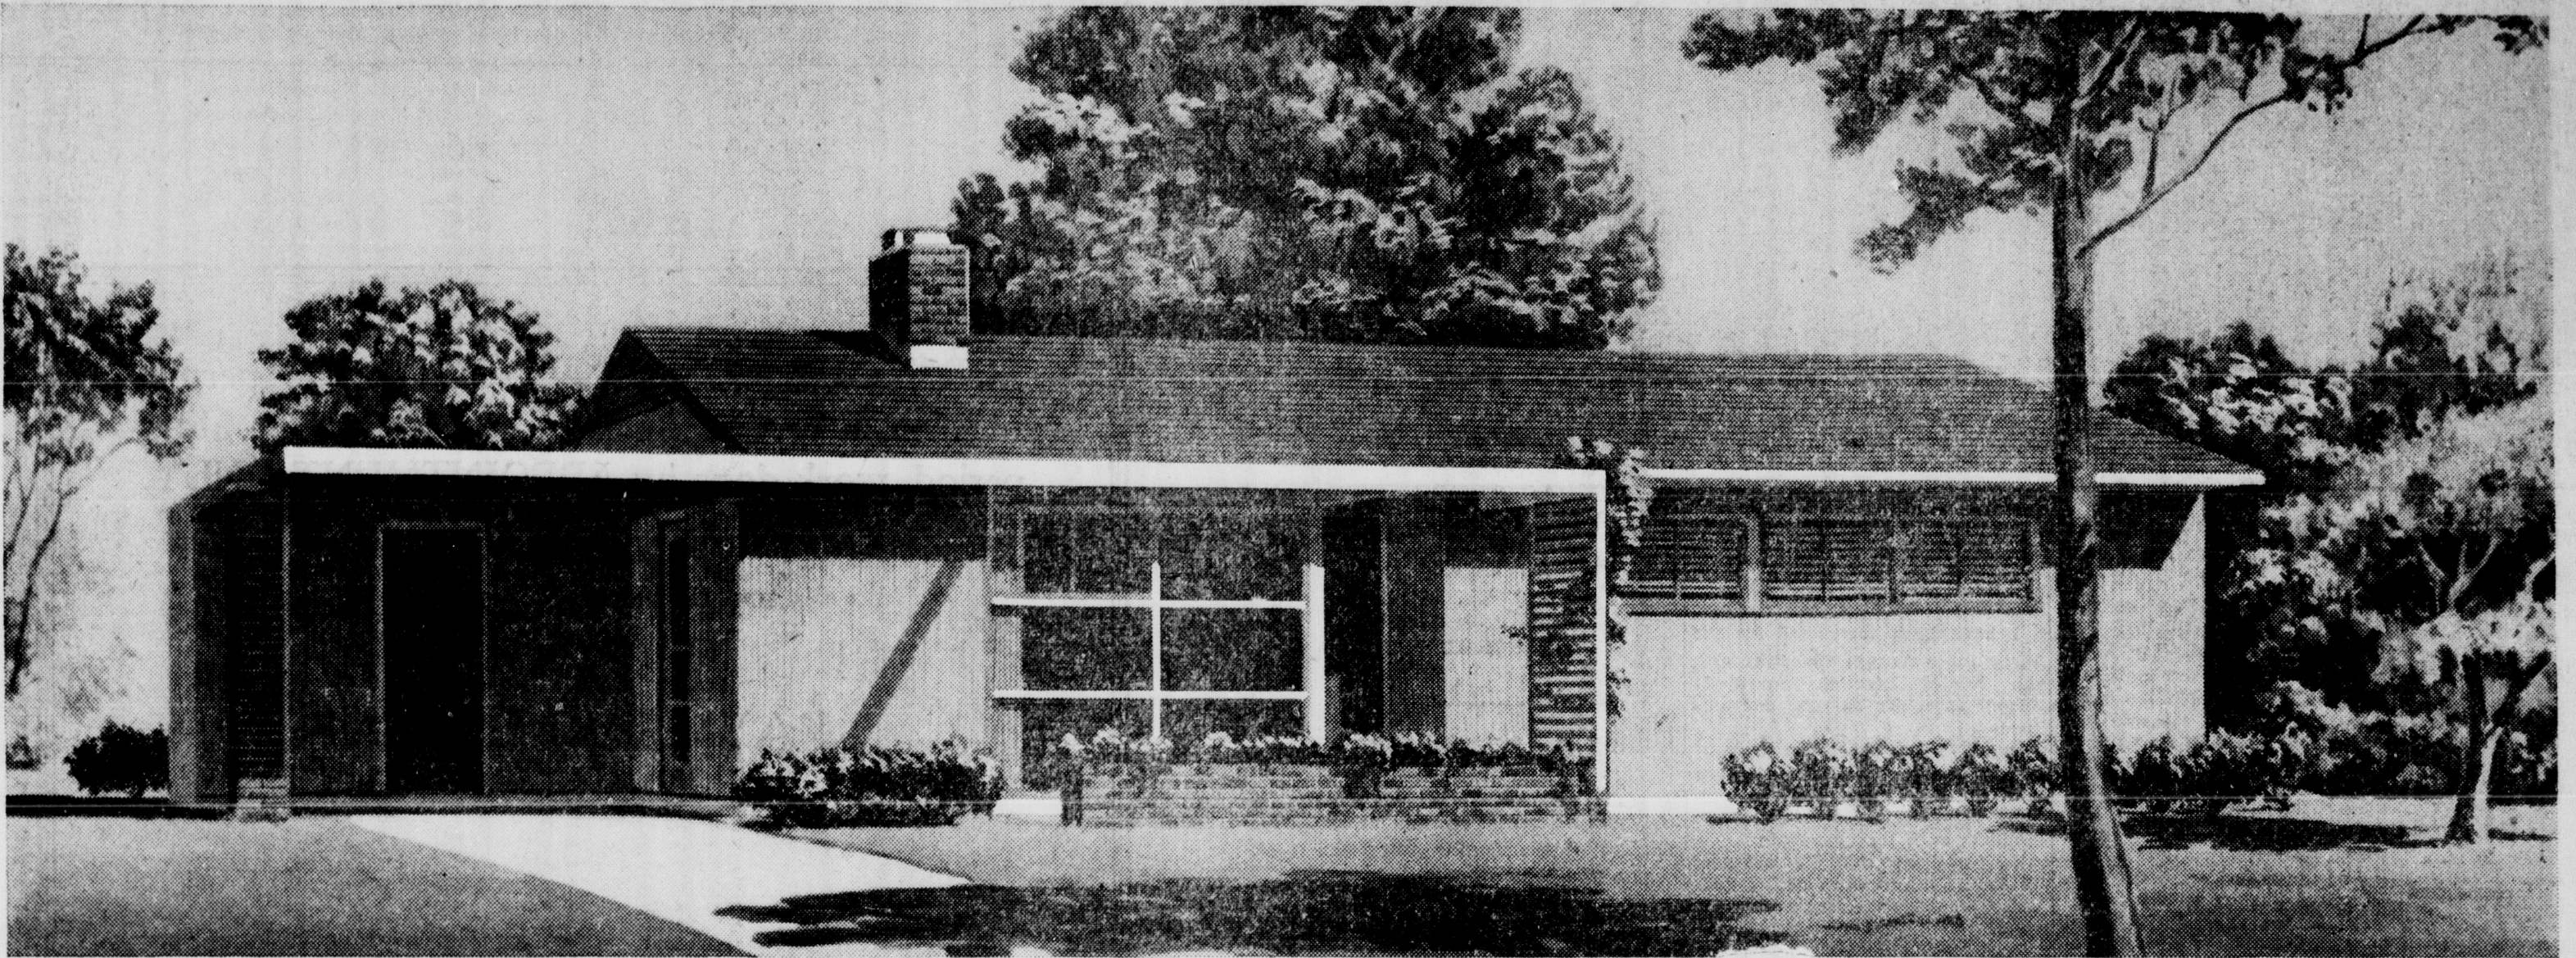

the two specific questions carried  
on the ballots, answered by means  
of the third spot on the ballot,  
which read: "3—Or very briefly  
state your opinion if you do not  
wish to answer the above ques-

The poll was prompted by deci-  
sion of Bristol borough school board

cure cooperation of Bristol town-  
ship board on consolidation.

## ***HE WHO HEARS A RUMOR ... SHOULD HAVE A SENSE OF HUMOR!***

SINCE the opening of Levittown just two months ago the rumors have been flying fast and furiously. We've been accustomed to rumors for many years now. They're inspired by ignorance, by jealousy, by just plain ordinary cussedness.

Ordinarily, we disregard them but this current crop has a few choice bits of humor sprinkled among the viciousness. And so we think that once and for all we ought to set the record straight. Here, then, are some of them and the right answers:

**RUMOR:** *When you buy from Levitt you don't get title, you just get a long term lease; you don't own the land.*

**ANSWER:** Wrong. You own your home and all its grounds. It's yours, there is no landlord, and you can do anything you please within the bounds of good taste.

**RUMOR:** *Only one child permitted to a house. If you want more, you must secure Levitt's permission.*

**ANSWER:** Wrong. Levitt furnishes swimming pools, baseball diamonds, parks, town hall, but feels that residents are amply qualified to produce children in whatever quantity they desire.

**RUMOR:** *If you decide to sell you must re-sell to Levitt at a specified price.*

**ANSWER:** Wrong. You may re-sell to anybody you want for a million dollars if you can get it.

**RUMOR:** *You can hang out wash only one day a week.*

**ANSWER:** Wrong. You can hang it any day except Saturdays, Sundays or holidays. A lot of men are home those days and we think they should be able to sit on the back terrace and not look at their neighbor's underwear waving in the breeze.

**RUMOR:** *In a year or so there will be an assessment of \$300 or \$400, or \$1,000, for sidewalks, roads, etc.*

**ANSWER:** Wrong. Everything to go in Levittown is installed and paid for by us. It has already been figured in the price you pay for your house.

### ***Now here are the facts:***

The price of the house pictured above is \$9,990 plus \$10 settlement charges, total \$10,000. Included are the grounds of 70 x 100, completely and exquisitely landscaped, refrigerator, range, Bendix, and a hundred other items. Applications, accompanied by a deposit of \$100, are now being taken for occupancy all the way to the end of the year! The Exhibit Center, right on Bristol Pike (Route 13) is open seven days a week from 10 A.M. to 6 P.M.

Serious-minded homeseekers should act without delay. As soon as the year's quota is reached—which won't be long now—additional applications will be on a waiting list basis only!

### **HOW TO REACH LEVITTOWN**

**By car from Philadelphia:** Drive out Roosevelt Boulevard continuing on Route 1 for about a mile. Turn right at Levittown sign to Route 13. Turn left on route 13 to the Exhibit Center about 4 miles past Bristol.

**By car from Trenton:** Cross the bridge into Pennsylvania, turn left to Route 13 (Bristol Pike). Continue on Route 13 four miles past Morrisville.

**By car from Camden:** Drive out Route 130 (Burlington Pike) to Burlington. Turn left and cross bridge to Bristol. Turn right on route 13 four miles to Exhibit Center.

## Bristol Board Writes Township About Students

Continued from Page One

for effective teaching is about 125, and should never exceed 150.

According to figures furnished us by your Superintendent's office, you now have 152 pupils in the 10th grade, while we have 114. If all present 11th grades become 12th graders, and all of your 10th graders and ours become 11th graders, we would next year have a Senior Class of 231, or 95 more than our present 136, while we would have a Junior Class of 266. In the combined Senior and Junior Classes we would then have 497, of which 208 would be Borough and 289 Township pupils. Our facilities are simply inadequate to accommodate so many students. Were we to try, it would mean half sessions, as to the legality of which, in high school, there may be some doubt, but as to the serious danger of which to our school children themselves and to our rating as an accredited high school there is no question or doubt whatsoever.

We have reached the crossroads, therefore, and must decide whether to sacrifice our own Borough students through shorter hours, threatening their chances of proper college certification, and endangering our standing as an accredited high school, or to save our Borough pupils by no longer accommodating the Township pupils. That is the issue, and the conclusion is obvious.

Realizing only too keenly that your children are the ones who will suffer most severely should you fail to provide adequate high school training and facilities, with proper credit for those who wish to go on to institutions of higher learning, we sincerely wish you every success in your efforts to meet their needs. At the same time we cannot refrain from pointing out that this very possibility was called to the attention of your Board more than six years ago, and more emphatically four years ago when, because of overcrowding, we were obliged to drop your 10th grade pupils. In the intervening years we have repeatedly endeavored to persuade you to cooperate with us in planning and erecting a joint or consolidated Senior High School, which would have solved both our problems and most certainly would have avoided the present unfortunate situation, and would have given us a far better school building than either district alone could have afforded to build, for less than half what such a building will cost to-day. All our suggestions met with nothing but indifference and unwillingness on your part to give the matter any honest consideration. During the summer of 1950, and again in the fall of 1951, you flatly refused to have an outside agency come in to make an impartial, unbiased study of our mutual school problems, at no cost whatever to your Board or ours. Should your children suffer scholastically as a result of the present situation, first in all justice and fairness they must

lay the blame at your feet and your feet only; you, not we, are answerable to them.

In forwarding you this notification, I was also instructed to clarify certain statements in your recent reply to the letter of our President, Mr. A. E. Lewis. In your letter you stated that "during all our past meetings, the Borough Board have, without compromise, stated that if a new high school be constructed, it shall be located within the Borough limits." This is not true. At the meeting of the two Boards, held this past fall, our Mr. Lewis forcefully stated, not once, but repeatedly, that our Board did not care whether the new consolidated school was built within the Borough or within the Township, or by whom it was run, so long as we got a good school, a good faculty, and a good student body. Furthermore, while the tract of land originally purchased by our Board for high school purposes (now owned by Kaiser Metal Products Co.) was admittedly within the Borough limits, the greater portion of our present site at Beaver Dam Road and Route 13 lies within the Township limits, a fact which your Board has known ever since April, 1949, when our Board acquired this site.

Furthermore, you stated that your Board "would insist upon being kept under the workings of the Bucks County Superintendent of Schools." This was frowned upon by your Directors. While the Bristol Borough School District, like Bensalem, Morrisville, and Quakertown, for good and valid reasons has for many years operated—operated very successfully—as an independent district, not under the direction of the County Superintendent, the statement made at the last meeting of the two Boards, to the effect that our Board did not care whether the consolidated school was built within the borough or within the Township, or by whom it was run, was a very definite answer to any such objection. There is nothing whatever in the nature of consolidating for high school purposes which requires either district to change its arrangements regarding supervision or non-supervision by the County Superintendent. That factor, therefore, is not a valid objection to consolidation.

While the Bristol Borough School Board is no longer able to accommodate your high school pupils with its present facilities, it is and will be willing to give full consideration to any reasonable proposal which your Board may make with a view toward consolidation for Senior High School purposes.

Very truly yours,  
PAUL V. FORSTER  
Secretary

Sec'y, Bristol School Board.

Dear Mr. Forster:

I have been instructed by the Directors to arrange a meeting with the Bristol Borough Board of School Directors at your convenience.

Our directors have been presented with a petition from the class of 1953, requesting permission to allow the class to remain as tuition students until they graduate.

We feel due to this circumstance, we should try to work out, if possible, some arrangement in this respect.

The Board, however, instructed me to inform you this meeting is not to be misconstrued as a meeting to discuss the possibility of a joint operation.

If your Board would be in agree-

ment with such a meeting, kindly advise.

Yours very truly,

## Outing is Arranged For The Junior Auxiliary

Diane Dettmer presided at a meeting of the Junior American Legion Auxiliary of Robert W. Bracken Post, on Wednesday, at the home of the advisor, Mrs. Alton R. Dettmer, Bristol Terrace I.

Plans were made for the group to motor to Trenton, N. J., on Feb. 23rd to visit the William Trent House and the old barracks. They

will leave 152 Schumacher Drive at one p. m.

Diane presented her officers with small gifts.

Mrs. Dettmer installed new officers and presented the retiring chairman with a gift from the group.

The newly installed chairman,

Wilberta Stoeckle, thanked the members for electing her to office and conducted the remainder of the meeting.

Ice cream, cup cakes, soda and candy were served.

Patricia Merritt won the attend-

ance award.

The next meeting will be Feb. 19th in the Post home.

## AUXILIARY MEETING

A meeting of the Ladies Auxiliary of Chester W. Terchen Post, 5542, was held Monday evening. Mrs.

Franklin Wilson presided. A report was made on a party held at Byberry Hospital for 60 veterans. One new member, Mrs. Helen Hems, was obligated. A Valentine party followed. Cards and handkerchiefs were exchanged and refreshments served.

truth that he was arrested in 1948 for drunken driving, the defendant was severely reprimanded by President Judge Keller who warned him that he must stop drinking.

He admitted that he was in trouble on a larceny charge in 1938 but did not reveal that he was in court again in 1948 after he was arrested for drunken driving by the Bristol Police.

Chief of Police Joseph O. Seader, of Bristol township, testified the defendant took articles, including beer, a bottle of alcohol, films, boots, clock, flashlight and army blanket out of a car. Chief Seader recovered the stolen articles in the defendant's home who didn't remember taking them because he was intoxicated. Assistant District Attorney Donald W. VanArtsdalen

County Rescue Squad, and the Squad quickly responded. Chief Seader and the Squad members got a row boat and the body pulled ashore. The body was identified by John Hansbury, son-in-law of Smith.

Smith was married and the father of four children. He had been employed at the Madsen Machine and Foundry Co., Eddington.

After the discovery of Smith's coat and the notes on the bridge, Rescue Squad's of this area searched for hours in an endeavor to locate the body. On Sunday, Dec. 30, members of the Telford Diving Unit, consisting of seven men, searched the waters in the vicinity of the bridge for hours, but were unsuccessful.

The body was considerably decomposed. Bucks County Coroner Russell J. T. Ferris, of Ottsville, was summoned and issued a certificate claiming death was due to suicide.

The body was removed to the funeral home of John C. Black, 314 Cedar street, Bristol.

Private service will be held tomorrow at two p. m. at the funeral home of John C. Black, Cedar street, and burial in Bristol Cemetery will also be private.

Text: "For the Son of Man is come to seek and to save that which was lost." (Luke 19:10).

No man can afford to miss seeing the purpose of the Incarnation of the Son of God. In the one single, simple sentence of our text we have clearly stated the Divine purpose of the Saviour's coming. The whole Gospel is here set forth. Jesus Himself spoke the words, so that they will stand no addition, subtraction or revision. If you have ever wondered how a pure, holy God can receive sinners, here is the answer—the Seeking Saviour.

### George School

NEWTOWN, Feb. 15—Chairmaned by Diane Siesel, Yardley. George School day students gave a dance of the entire school, Feb. 9th, marking the first social function in the newly-inaugurated Alumni Physical Education Building, as well as the school's first day student-sponsored dance.

The G-Esquires, school dance band played for the first half of the dance, which was programmed. Records furnished music for the second part after refreshments. A Valentine theme was carried out in decorations and programs.

Faculty day student sponsors, Ernest Seegers, John Streetz, Athalia Jamison, and Eleanor Hess, joined "Jim" Alden, of Jamison, head of the Boy Day Student Council.

Princeton, Vice-Principal William Eves, 3rd (Princeton '11), announced the additional cash award of \$75 to George School, and he displayed books bought with those funds and intended for use in the school library.

The Graduate Council feels that the scholarship of its prize winners can be traced back directly to the secondary schools from which they came," said Mr. Eves in announcing the award at George School on Feb. 11. "Accordingly, it wants to help these schools continue their good work. The best way to do this, Chairman of subcommittees for the dance, which was attended by some 400 students and faculty members, included: Decorations, Esther Stapler, Yardley; refreshments, Mary Jane Mikuriya, Fallsington; music, Nancy Watter, Trenton, N. J.; entertainment, Richard Packer, Newtown; publicity, Christopher Weir, Langhorne, and Shirley Morrell, New Hope; program I, "Meg" Weller, Doylestown, and Harry Stevens, Yardley; program II, Ellen Steele, Feasterville; clean-up, Patricia Ekins, Morrisville. Patricia Ekins was also chairman of the floor committee.

Princeton University honored George School this week with an award earned through the high scholarship of Willard Van Tuyl Rusch, 1950 George School graduate.

Rusch, first honor winner in last year's Princeton freshman class of more than 700 men, was given a cash award personally. Monday, on behalf of the Graduate Council of

the Council feels, is to supplement library collections."

Rusch, son of Mr. and Mrs. Hugo Rusch, Lambertville, N. J., played football, basketball and baseball at George School. He was president of his class the sophomore year, on the school newspaper and took part in the first international work camp in Europe.

He will receive the individual scholarship honor in ceremonies during the Alumni Day Meeting at Princeton on Feb. 22.

The library books purchased with the funds for George School will carry book plates inscribed as follows: "Presented to the George

School by the Graduate Council of Princeton University to record the fact that Willard Van Tuyl Rusch, a graduate of this school, was first honor man in the freshman class at Princeton, June 1951."

## SPORTSMEN'S BRIEFS

By John Baker, Jr.

This beautiful weather we have been enjoying the past few days reminds the fishermen we are but two months away from the official opening of trout season.

This is the time of year when we should be replacing those broken windings and the guides that are worn. Then too, don't forget to carefully sand each section, tighten loose ferrules and finish with a light coat of good spar varnish.

Boots and waders should be carefully checked for any needed repairs and hung in a cool dry place. Those heavy woollens, that feel so good during the early season when the ice accumulates on the guides and the hands are too numb to hook a garden hackle on, might need a going over by the little woman. And last but not least, the tackle should be cleaned and oiled, hooks should be honed and flies steamed over a boiling tea kettle.

## Bristol Fish &amp; Game Protective Association News

The monthly shoot of the Bristol Fish and Game Protective Ass'n was held last Sunday at the Club's shooting grounds with twenty-five shooters participating in the event. High gun honors went to F. R. Davies, second place to J. S. Fine and a three-way tie for third to S. Kelly, R. Arnell and B. Miller. Divisional honors went to M. Haines, Jr. and V. Carney. Turkey, the prizes for the dead-mark events, were awarded to Raymond Robinson and Victor Carney.

Membership Contest: Our goal for 1952 has been set at 1000 members. A \$4-30-30 model Winchester rifle will be awarded to the person bringing the most members into the Association by June 10th.

Rifle Practice: Irvin Scheffey is doing a grand job of training a group of teen-age boys in the handling, shooting and safety of small bore rifles. Practice is held every Wednesday evening from 7 to 8:30 in the basement of the Y. M. C. A., Mansion St., Bristol, Pa.

The National Sportsmen's Show opens Saturday, February 16th at the Grand Central Palace, New York for a one week stand, closing the 24th of February. The Bristol Fish & Game Ass'n will have a fine representation of casters to compete in the 50% accuracy event on Sunday, the 17th between 12 and 2 p. m. With Bill Durr, the 1951 defending champion, as our keynote man together with Billy Brady, the 13 year old ace caster, Homer Hobbs and Ollie Hobbs as team mates, we should have a winning combination.

The official headquarters for the annual fishing contest will be the Bristol Hardware Company, 404 Mill St., Bristol, Pa. Rules for the contest will be announced next week.

Local anglers report the catch of suckers in the Neshaminy is exceptionally good now and a few good size carp have also been caught.

Have news from across the river of some proposed fishing regulations for 1952 in New Jersey.

Highlighting the new regulations is the proposal to create two additional "fly-fishing only" stretches of trout stream. Because of heavy fishing pressure on the current two fly stretches, at Ken Lockwood Gorge on the South Branch of the Raritan River in Hunterdon County and at Big Flat Brook located in Sussex County, the Council has proposed the two new fly-fishing-only beats.

One is at Beatty's Mill Fly Stretch located on the Musconetcong River covering approximately three-quarters of a mile of water. The stretch of water involved is from the Mill Pond dam in Hackettstown downstream to the Route 24 bridge, which is also known as Schooley's Mountain Bridge. The other stretch would be on the Paulinskill River beginning at Vail's Bridge on the county road leading from Route 8 to Vail, N. J., downstream to Crisman's Bridge on Route 8 at Polkville Road. This stretch would be approximately a mile and a half in length. The two new fly waters would be operated under the same regulations as were in effect on Flat Brook and Ken Lockwood Gorge during 1951. After May 12th, fly-fishing only would be permitted with unrestricted angling prior to that date.

Another proposed N. J. regulation would open the 1952 trout season at 8 a. m. on Saturday, April 12th and extend uninterruptedly to September 30th. Other than on opening day fishing hours would be from sunrise to 9 a. m. There would be no minimum size limit on trout. Creel limit would be eight trout per day, of which number not more than four trout may be taken from fly fishing water.

## CHAMPIONSHIP OF LEAGUE IS PRIZE HELD OUT TONIGHT

The Lower Bucks County League championship will be the prize tonight as Morrisville Bulldogs and Bristol High clash in the Bristol "gym." Starting time of the junior varsity game between the teams of the schools is 7:30 o'clock.

The Bulldogs and Warriors have both won five and lost one in league competition. Neshaminy remains on the Bristol schedule, while Bensalem is the Morrisville team's final opponent.

The lone defeat suffered by Bristol was handed it by the Morrisville team on the latter's court. However, on the spacious Bristol floor, the Warriors are the favorites. Morrisville's loss came at the hands of the Pennsylvania team on the Falcons' court.

Coach Ben Watson will start Andy Accardi, Bob Stroble, Jim Gallagher, Harold Loud, and Raul Stevens. In reserve, he will have Jack Bowe, Don Singer, Jack Allison, Walt Holden, and probably several junior varsity players.

The Morrisville team is fresh from a victory over St. John's

Catholic High of Philadelphia. Leading Coach Jack Mock's array is the high-scoring Johnny Krysa, who garnered 26 points against St. John's. Chuck Galambos, Jack Haston, Homko, and Davis round out the remainder of Morrisville's starting lineup.

## BRADY'S SHOT AIDS THE HIBOES TO DEFEAT PROFY

Charlie Brady's set shot in the last three seconds of play enabled the Hibernians to beat the Profy team and gain first place in the Bristol Basketball League. The Hibs nosed out the Mill Streeters, 60-58, in an extra period match.

The score was knotted at 53 at the end of regulation time with "Ham" Konefal dropping in a pair of fouls to tie the count. In the overtime session, Brady was the whole works for the Hibernians with Al Burton scoring the five Profy points.

The Profymen lost the game from the foul line when they converted

but 10 of their 23 tries. The Hiboers were successful in 10 out of 18.

The game was deadlocked on four different occasions after the Corson Streeters had come from behind to take a first half lead. Profy's led in the first quarter, 23-13 and the half-time score was 32-27. In the early part of the game, Profy's had a 10-1 advantage but fast playing by the Hibs in the second quarter changed the complexion of the contest.

Brady accounted for 20 points for his night's work. He was the only player in the winner's line to hit the double figures. For the losing team, Konefal had 18 points with Burton getting 16.

## CORNWELLS BOYS TOPPLE R. &amp; H. FROM TOP PLACE

In another thrilling Bristol Basketball League tilt, the Cornwells Boys Club toppled Rohm & Haas from first place by beating the chemical workers, 59-57, on the Goodwill Hose Company floor.

Al Bader's side shot with five seconds remaining to be played gave the Cornwells team the triumph. It was the second time this season that

Cornwells beat the Rohm & Haas boys.

Fine floor work and shooting on the part of "Pete" Bound was mostly responsible for the CBC's win. Bound was brilliant in the final quarter as he helped to overcome a 10-point Rohm & Haas lead. It was his two field goals which tied the count and set the stage for Bader's winning double-decker.

Bound scored 15 of his 17 points in the final quarter. "Eddie" Oliver chipped in with 17 points. For Rohm & Haas, Walt Zook amassed 20 points and Nick Spadaccino, 16.

Cornwells would have had an easy time of the game but for its miserable foul shooting. It was successful in 7 out of 25 tries and

in the early part of the contest made but one conversion in 12 tries. In fact, the Cornwells boys began to waive their foul tries early in the contest.

## BRISTOL BOARD WRITES TOWNSHIP ABOUT STUDENTS

Explains Why It is Necessary To Reject Students in September

WRITE TO MR. VETTER

Gives Facts and Figures To Show the Crowded Conditions

A letter addressed to the Bristol Township School Board, by the Bristol Borough School Board, as the result of a special meeting of the Bristol School Board held Monday evening, was today released to the press, so that the public may be kept fully informed, a spokesman for the Board stated.

The letter reads:

February 13, 1952  
William L. Vetter, President,  
Bristol Township School Board,  
Main Street, Bath Addition,  
Bristol, Pa.

Dear Mr. Vetter:  
At a meeting held Monday evening, February 11, 1952, for the purpose of considering ways and means of relieving the overcrowding of our high school facilities, our School Board concluded that it could not accommodate Bristol Township pupils after June, 1952, and instructed me to notify you to that effect.

Needless to say, our Board reached this conclusion most reluctantly. It is a grave, momentous decision, far-reaching in its consequences, and deserves a full explanation. As you are aware, our high school facilities have been overburdened for several years, to the extent that we have been obliged to use even the cafeteria as a study hall several times a week. Each of our teachers is carrying from 180 to 225 pupils per week, the normal number.

## JEWISH CENTER BUYS THE MONTESSORI CAMP

Trenton Group Purchases 26-Acre Bucks Co. Camp For \$30,000

## PLANS FOR FUTURE

TRENTON, N. J., Feb. 15 — Announcement is made of the purchase by the Jewish Community Center of the Montessori camp site, six miles from Newtown, in Bucks county, Penna.

Purchase price is listed at \$30,000. The 26-acre site is complete with swimming pool, athletic field, cabins, and other facilities for summer and day-camping activities.

George Warren, president of the center, states that the camp is 18 miles from the center of Trenton. The camp includes a concrete swimming pool, 60x100 feet, with water change of 10,000 gallons per hour, and approved by Pennsylvania State Board of Health.

The control gate of the concrete swimming pool makes it possible to regulate the depth for children of various ages. There are also artesian wells, boats and a boating area located in Linghocken creek on the property.

There are ten camp buildings consisting of lodges, shower houses, etc.; five newly constructed tent platforms; one combination barn which is to be used for arts and crafts workshops; one newly constructed ranch-house with fireplace, kitchen commissary and flush toilets; a nature study pavilion and guest cabin fully supplied with showers and electricity; athletic fields with regulation baseball diamond, 1/4-mile track, football and soccer field, tennis and volleyball courts, outside fireplaces, etc.; and a horseback riding corral.

Dr. Bernard Kushner reports the camp is covered with 36 varieties of shade trees. Dr. Kushner, vice-president, has been asked by Warren to coordinate the administration and maintenance planning.

## BANDIT STAGES UNSUCCESSFUL HOLD-UP AT GUN-POINT AT THE OAKFORD INN; FIRES ONE SHOT AT PURSUERS AS HE FLEES TO WAITING AUTO; FAILS TO GET ANY MONEY

### Eddington Man Dies Watching "TV" Program

EDDINGTON, Feb. 15 — Stricken while watching a television program shortly after last midnight, Norval E. Benner, 45, died within a few minutes. Death is attributed to a heart ailment. Mr. Benner had been under the care of a physician recently, but had gone to his work yesterday at the Philadelphia Naval Base.

Members of the Benner family had also been in the living room watching the program, but they had retired. Hearing Mr. Benner breathing heavily they discovered he was ill, and a physician was summoned.

A communicant of St. Charles R. C. Church, Cornwells Heights, he was also a member of the Holy Name Society.

Formerly of Frankford, Mr. Benner moved to Park avenue nearly five years ago.

Surviving are his wife, Margaret Brennan Benner; two daughters and two sons: the Misses Margaret and Patricia Benner, James J. Benner, of this community; and Cpl. David J. Benner, in Germany.

Dr. William L. Goldfarb, Bristol, deputy coroner of Bucks County, was called in the case.

## Rudolf Becker, 55, Was Serving One Customer at Time Bandit Entered; Becker Dives Through Door Into Kitchen, Yelling to Chef; Bandit Falls As He Runs For Waiting Automobile.

OAKFORD, Feb. 15 — An unsuccessful attempt was made yesterday afternoon to hold up and rob the Oakford Inn, along Route 1. The bandit, after firing one shot, fled without obtaining any money. He fired the shot at his pursuers.

Pvt. Keith R. Dane, of the Langhorne State Police Station, said the proprietor, Rudolph Becker, 55, was serving the only customer in the place when the bandit entered about 3 p. m.

The stranger ordered a beer and drank it slowly until the other customer left, Dane said. He ordered a second beer, and as Becker opened the cash register for the sale, the bandit pulled out a pistol.

"Give me the dough," he ordered Becker. Dane said the man appeared to Becker to be "very nervous."

Becker dove through a door leading into the kitchen, shouting a warning at the same time to the chef, Eric Radke, 40, who arrived in this country from Germany less than a month ago.

Dane said the bandit bolted through the front door. Becker and Radke followed him. They saw him running toward a black sedan parked about 200 feet down the highway in the direction of Philadelphia.

As Becker and Radke started after him, the bandit glanced over his shoulder, then tripped and fell. As he scrambled to his feet he fired at Becker and Radke. The shot was wild.

Dane said the bandit apparently had an accomplice waiting in the car with the motor running. Becker said the coupe sped off in the direction of the Philadelphia city line about a mile and a half away, the instant the bandit got in the right side.

Becker telephoned police at Langhorne. State police covered all highways leading into the city. The alarm was forwarded to Philadelphia.

## WORLD NEWS IN BRIEF

President Truman moved yesterday to strengthen the inquiry into corruption in Government by asking Congress to vest in Newbold Morris unusual power to subpoena private persons and their papers and to grant immunity when necessary to obtain vital testimony. Mr. Morris, who will head the investigation, will have offices outside the Department of Justice, the President said. A Republican Senator charged that a brewery had been able to settle a \$635,000 tax claim for \$4,500 after former Internal Revenue Commissioner Nunan in New York had intervened. Mr. Nunan denied playing any part in this.

Proposed cuts of \$8,600,000 in the President's budget were detailed by Senator Byrd, who would eliminate the entire \$2,500,000,000 for foreign economic aid. Tax bonuses for industrial expansion will be harder to get after March 1, Washington announced.

In a finding that may set a new Government policy on compulsory union membership, a Presidential emergency board recommended a union shop and check-off of dues in any agreement between the nation's railroads and 17 unions. The steel industry ended its case before a Wage Stabilization Board panel on union pay demands.

President Truman said that when he was ready to make public his "difficult decision" on seeking re-

election he would do so "promptly." General Eisenhower, because of "the press of his official duties," will be unable to attend West Point's exercises in May.

A simulated artillery shell with atomic warhead was used for the first time in mass maneuvers at the Army-Air Force winter games. Damage was interpreted as heavy.

More than \$500,000,000 in defense contracts will go to European manufacturers by June 30 to speed the rearmament for Nato, the Pentagon announced. American experts supported Brazil's loan applications to the World and Export-Import Banks for \$75,000,000 for internal development.

Senator Connally introduced a resolution calling for an end of diplomatic relations with Hungary.

Communist China said the United States, through Japan, planned to extend the war in Asia. The Soviet press stressed Moscow's help against aggression. Enemy truce negotiators in Korea presented a new draft of proposals to exchange prisoners and civilians.

Reunification of Germany must precede a peace treaty, Bonn said in answer to an East German request for a pact.

Egypt, in notes to fifteen nations, expressed regret over losses suffered in last month's Cairo riots.

King George VI will be buried at Windsor today.

Balloting on Two Questions Conducted Among Senior High Students

### BY STUDENT COUNCIL

Participating in a senior high school poll, Bristol high school pupils of grades 10, 11 and 12 voted 349 to 17 in favor of "consolidation"; and 287 to 18 in opposition to each district (Bristol borough and Bristol township) having its own school.

The balloting took place on Tuesday at Bristol high school, with tabulation following yesterday. The poll was sponsored by the Student Council and conducted among students of the senior high school.

Question No. 1 was "Are you in favor of consolidation which would give us a high school comparable to a large city high school?" The result of the balloting was: Yes, 349; No, 17.

Question No. 2 was "Are you in favor of each district having their

### Allied Tanks Ram Into Kumson

Seoul—Allied tanks rammed into the blasted Korean mountain hub of Kumson today amid a renewed flareup of fighting marked by intensified Red probing onslaughts along the east and central fronts. The armored foray into Kumson came in the afternoon following Red thrusts against Allied lines south of that mid-Korean city and in other sectors. The tankmen killed 25 Chinese soldiers manning bunkers in hills overlooking the former communications pivot which has lain shattered in a virtual no man's land since last autumn.

### King George Buried As Nation Weeps

Windsor, Eng.—King George VI was buried today at Windsor Castle, final resting place of British Monarchs, amid the tears of his subjects, including the brother whose abdication put the burden of empire on George.

A choir sang "The Strife is Over" and "I Heard A Voice From Heaven" as the Archbishop of Canterbury committed the body to burial in St. George's chapel, the famous Gothic Church at Windsor.

The whole nation came to a halt at 2 p. m. (9 a. m. EST) in memory of the dead, sailor King who saved a throne shaken by world war, revolutions and the abdication for love 15 years ago of Edward, now the Duke of Windsor.

A nationwide two minutes of silence was observed. All traffic halted in every city and town. Newspaper presses were still. The radio was silenced.

George's body was placed in a vault in the chapel where his father, George V, rests while hundreds of visiting dignitaries—including eight crowned heads of state, watched.

The King's daughter, Elizabeth, sprinkled earth on the coffin as it sank into the vault.

## Tape Recording Used As Program for Rotarians

An unusual program was furnished by Otto Grupp at yesterday's meeting of Bristol Rotary Club.

Instead of the scheduled speaker, Mr. Grupp presented extracts by tape recording of the four hours meeting held before the District Engineer Corps, when all interested parties of both sides of the Delaware River stated their approval or objection to the deepening of the river channel.

## 8 Makefield Residents Seeking Annexation

MORRISVILLE, Feb. 15 — A petition is to be submitted to Morrisville borough council seeking annexation to this borough of a section north of Morrisville borough and east of the canal, in Lower Makefield township.

Eight residents of Lower Makefield township are the signers. A meeting with council is sought to discuss the matter.

## The School Situation As Students See It:

### Students Protest Barring of Pupils

Continued from Page One  
 by Hibbs and Alfrey, reads as follows:

"February 13, 1952  
 "We, the undersigned class of 1953, at Bristol high school protest against the action taken recently which lead to the exclusion of the township students from Bristol high school by the Bristol borough school board for the coming school term. A most important year for us since we will be seniors.

"We take this action because the township as well as the boroughs students had to make an adjustment at the beginning of the present school year. An adjustment which is difficult to make, and we are now happy as a class.

"Furthermore, we feel that by breaking up our high school career once more it would be most unsatisfactory for the continuity of our studies, extra-curricular activities, and for the undersigned a complete destruction of our morale.

"By taking this action, we, the class of 1953, do not want to be aggressive, but do hope that a compromise can be reached by both school districts to allow us to remain as the class now stands.

 own school, thus eliminating many educational opportunities, both extra-curricular and studies for both districts." Balloting result was: Yes, 18; No, 287.

William White is president of the Student Council and Andrew Accardi is vice president. The latter explains that 388 were polled, and some of those who did not vote on

the two specific questions carried on the ballots, answered by means of the third spot on the ballot, which read: "3—Or very briefly state your opinion if you do not wish to answer the above questions." The poll was prompted by decision of Bristol borough school board on Monday to "exclude all Bristol township pupils for the coming term." Decision on the part of Bristol board, it was stated, was reached after alleged failure of attempts on the part of Bristol board to secure cooperation of Bristol township board on consolidation.

WASHINGTON (INS)—Farm management specialists say it's more important than ever before that farmers place their orders for fertilizer early and take delivery promptly. There may be more fertilizer in 1952 than in 1951, but the supply has a hard time keeping up with demand.

 FLOWERS express man's hope for everlasting peace. Their delicate beauty and fragrance shut out doubt and darkness by symbolizing the love we hold for those we've lost.  
 And, because we love, we grieve. But, because we have faith, we look forward to immortality. To our soul's unspoken question on these solemn occasions, flowers whisper comfortingly, "Hope!"

## HE WHO HEARS A RUMOR ... SHOULD HAVE A SENSE OF HUMOR!

SINCE the opening of Levittown just two months ago the rumors have been flying fast and furiously. We've been accustomed to rumors for many years now. They're inspired by ignorance, by jealousy, by just plain ordinary cussedness.

Ordinarily, we disregard them but this current crop has a few choice bits of humor sprinkled among the viciousness. And so we think that once and for all we ought to set the record straight. Here, then, are some of them and the right answers:

**RUMOR:** When you buy from Levitt you don't get title, you just get a long term lease; you don't own the land.

**ANSWER:** Wrong. You own your home and all its grounds. It's yours, there is no landlord, and you can do anything you please within the bounds of good taste.

**RUMOR:** Only one child permitted to a house. If you want more, you must secure Levitt's permission.

**ANSWER:** Wrong. Levitt furnishes swimming pools, baseball diamonds, parks, town hall, but feels that residents are amply qualified to produce children in whatever quantity they desire.

**RUMOR:** If you decide to sell you must re-sell to Levitt at a specified price.

**ANSWER:** Wrong. You may re-sell to anybody you want for a million dollars if you can get it.

**RUMOR:** You can hang out wash only one day a week.

**ANSWER:** Wrong. You can hang it any day except Saturdays, Sundays or holidays. A lot of men are home those days and we think they should be able to sit on the back terrace and not look at their neighbor's underwear waving in the breeze.

**RUMOR:** In a year or so there will be an assessment of \$300 or \$400, or \$1,000, for sidewalks, roads, etc.

**ANSWER:** Wrong. Everything to go in Levittown is installed and paid for by us. It has already been figured in the price you pay for your house.

### Now here are the facts:

The price of the house pictured above is \$9,990 plus \$10 settlement charges, total \$10,000. Included are the grounds of 70 x 100, completely and exquisitely landscaped, refrigerator, range, Bendix, and a hundred other items. Applications, accompanied by a deposit of \$100, are now being taken for occupancy all the way to the end of the year! The Exhibit Center, right on Bristol Pike (Route 13) is open seven days a week from 10 A.M. to 6 P.M.

Serious-minded homeseekers should act without delay. As soon as the year's quota is reached—which won't be long now—additional applications will be on a waiting list basis only!

### HOW TO REACH LEVITTOWN

**By car from Philadelphia:** Drive out Roosevelt Boulevard continuing on Route 1 for about a mile. Turn right at Levittown sign to Route 13. Turn left on route 13 to the Exhibit Center about 4 miles past Bristol.

**By car from Trenton:** Cross the bridge into Pennsylvania, turn left to Route 13 (Bristol Pike). Continue on Route 13 four miles past Morrisville.

**By car from Camden:** Drive out Route 130 (Burlington Pike) to Burlington. Turn left and cross bridge to Bristol. Turn right on route 13 four miles to Exhibit Center.

## Bristol Board Writes Township About Students

Continued from Page One

for effective teaching is about 125, and should never exceed 150.

According to figures furnished us by your Superintendent's office, you now have 152 pupils in the 10th grade, while we have 114. If all present 11th grades become 12th graders, and all of your 10th graders and ours become 11th graders, we would next year have a Senior Class of 231, or 95 more than our present 136, while we would have a Junior Class of 266. In the combined Senior and Junior Classes we would then have 497, of which 208 would be Borough and 289 Township pupils. Our facilities are simply inadequate to accommodate so many students. Were we to try, it would mean half sessions, as to the legality of which, in high school, there may be some doubt, but as to the serious danger of which to our school children themselves and to our rating as an accredited high school there is no question or doubt whatsoever.

We have reached the crossroads, therefore and must decide whether to sacrifice our own Borough students through shorter hours, threatening their chances of proper college certification, and endangering our standing as an accredited high school, or to save our Borough pupils by no longer accommodating the Township pupils. That is the issue, and the conclusion is obvious.

Realizing only too keenly that our children are the ones who will suffer most severely should you fail to provide adequate high school training and facilities, with proper credit for those who wish to go on to institutions of higher learning, we sincerely wish you every success in your efforts to meet their needs. At the same time we cannot refrain from pointing out that this very possibility was called to the attention of your Board more than six years ago, and more emphatically four years ago when, because of overcrowding, we were obliged to drop your 10th grade pupils. In the intervening years we have repeatedly endeavored to persuade you to cooperate with us in planning and erecting a joint or consolidated Senior High School, which would have solved both our problems and most certainly would have avoided the present unfortunate situation, and would have given us a far better school building than either district alone could have afforded to build, for less than half what such a building will cost today. All our suggestions met with nothing but indifference and unwillingness on your part to give the matter any honest consideration. During the summer of 1950, and again in the fall of 1951, you flatly refused to have an impartial, unbiased study of our mutual high school problems, at no cost whatever to your Board or ours. Should your children suffer scholastically as a result of the present situation, first in all justice and fairness they must

lay the blame at your feet and your feet only; you, not we, are answerable to them.

In forwarding you this notification, I was also instructed to clarify certain statements in your recent reply to the letter of our President, Mr. A. E. Lewis. In your letter you stated that "during all our past meetings, the Borough Board have, without compromise, stated that if a new high school be constructed, it shall be located within the Borough limits." This is not true. At the meeting of the two Boards, held this past fall, our Mr. Lewis forcefully stated, not once, but repeatedly, that our Board did not care whether the new consolidated school was built within the Borough or within the Township, or by whom it was run, so long as we got a good school, a good faculty, and a good student body. Furthermore, while the tract of land originally purchased by our Board for high school purposes (now owned by Kaiser Metal Products Co.) was admittedly within the Borough limits, the greater portion of our present site at Beaver Dam Road and Route 13 lies within the Township limits, a fact which your Board has known ever since April, 1949, when our Board acquired this site.

Furthermore, you stated that your Board "would insist upon being kept under the workings of the Bucks County Superintendent of Schools." This was frowned upon by your Directors. While the Bristol Borough School District, like Bensalem, Morrisville, and Quakertown, for good and valid reasons has for many years operated—and operated very successfully—as an independent district, not under the direction of the County Superintendent, the statement made at the last meeting of the two Boards, to the effect that our Board did not care whether the consolidated school was built within the borough or within the Township, or by whom it was run, was a very definite answer to any such objection. There is nothing whatever in the nature of consolidating for high school purposes which requires either district to change its arrangements regarding supervision or non-supervision by the County Superintendent. That factor, therefore, is not a valid objection to consolidation.

While the Bristol Borough School Board is no longer able to accommodate your high school pupils with its present facilities, it is and will be willing to give full consideration to any reasonable proposal which your Board may make with a view toward consolidation for Senior High School purposes.

Very truly yours,  
PAUL V. FORSTER  
Secretary

Sec'y, Bristol School Board.

Dear Mr. Forster:  
I have been instructed by the Directors to arrange a meeting with the Bristol Borough Board of School Directors at your convenience.

Our directors have been presented with a petition from the class of 1953, requesting permission to allow the class to remain as tuition students until they graduate.

We feel due to this circumstance, we should try to work out, if possible, some arrangement in this respect.

The Board, however, instructed me to inform you this meeting is not to be misconstrued as a meeting to discuss the possibility of a joint operation.

If your Board would be in agree-

ment with such a meeting, kindly advise.

Yours very truly,

## Outing is Arranged For The Junior Auxiliary

Diane Dettmer presided at a meeting of the Junior American Legion Auxiliary of Robert W. Bracken Post, on Wednesday, at the home of the advisor, Mrs. Alton R. Dettmer, Bristol Terrace I.

Plans were made for the group to motor to Trenton, N. J., on Feb. 23rd to visit the William Trent House and the old barracks. They

will leave 152 Schumacher Drive at one p. m.

Diane presented her officers with small gifts.

Mrs. Dettmer installed new officers and presented the retiring chairman with a gift from the group.

The newly installed chairman,

Wilberta Stoeckle, thanked the members for electing her to office and conducted the remainder of the meeting.

Ice cream, cup cakes, soda and candy were served.

Patricia Merritt won the attend-

ance award.  
The next meeting will be Feb. 19th in the Post home.

## AUXILIARY MEETING

A meeting of the Ladies Auxiliary of Chester W. Terchou Post, 5542, was held Monday evening. Mrs.

Franklin Wilson presided. A report was made on a party held at Berry Hospital for 69 veterans. One new member, Mrs. Helen Hems, was obligated. A Valentine party followed. Cards and handkerchiefs were exchanged and refreshments served.

### Today's Quiet Moment

By Lehman Strauss  
Pastor  
Calvary Baptist Church

Text: "For the Son of Man is come to seek and to save that which was lost." (Luke 19:10). No man can afford to miss seeing the purpose of the Incarnation of the Son of God. In the one single, simple sentence of our text we have clearly stated the Divine purpose of the Saviour's coming. The whole Gospel is here set forth. Jesus Himself spoke the words, so that they will stand no addition, subtraction or revision. If you have ever wondered how a pure, holy God can receive sinners, here is the answer — the Seeking Saviour.

## NEWS OF SCHOOLS IN AREA---

All public, private and parochial schools in the Bristol area are invited to send news items for publication in this column which appears frequently.

### George School

NEWTOWN, Feb. 15—Chairmaned by Diane Siesel, Yardley, George School day students gave a dance of the entire school, Feb. 9th, marking the first social function in the newly-inaugurated Alumni Physical Education Building, as well as the school's first day student-sponsored dance.

The G-Esquires, school dance band played for the first half of the dance, which was programmed. Records furnished music for the second part after refreshments. A Valentine theme was carried out in decorations and programs.

Faculty day student sponsors, Ernest Seegers, John Streetz, Athalia Jamison, and Eleanor Hess, joined "Jim" Alden, of Jamison, head of the Boy Day Student Council, and Miss Siesel in the receiving line.

Chairman of subcommittees for the dance, which was attended by some 400 students and faculty members, included: Decorations, Esther Stapler, Yardley; refreshments, Mary Jane Mikuriya, Fallsington; music, Nancy Warner, Trenton, N. J.; entertainment, Richard Packer, Newtown; publicity, Christopher Weir, Langhorne, and Shirley Morrell, New Hope; program I, "Meg" Weller, Doylestown, and Harry Stevens, Yardley; program II, Ellen Steele, Feasterville; clean-up, Patricia Ekins, Morrisville. Patricia Ekins was also chairman of the floor committee.

Princeton University honored George School this week with an award earned through the high scholarship of Willard Van Tuyl Rusch, 1950 George School graduate.

Rusch, first honor winner in last year's Princeton freshman class of more than 700 men, was given a cash award personally. Monday, on behalf of the Graduate Council of

Princeton, Vice-Principal William Eves, 3rd (Princeton '11), announced the additional cash award of \$75 to George School, and he displayed books bought with those funds and intended for use in the school library.

"The Graduate Council feels that the scholarship of its prize winners can be traced back directly to the secondary schools from which they came," said Mr. Eves in announcing the award at George School on Feb. 11. "Accordingly, it wants to help these schools continue their good work. The best way to do this,

Rusch, son of Mr. and Mrs. Hugo Rusch, Lambertville, N. J., played football, basketball and baseball at George School. He was president of his class the sophomore year, on the school newspaper and took part in the first international work camp of the school's affiliation program in Europe.

He will receive the individual scholarship honor in ceremonies during the Alumni Day Meeting at Princeton on Feb. 22.

The library books purchased with the funds for George School will carry book plates inscribed as follows: "Presented to the George

School by the Graduate Council of Princeton University to record the fact that Willard Van Tuyl Rusch, a graduate of this school, was first honor man in the freshman class at Princeton, June 1951."

### FIRE THREATENS WINK

MORRISVILLE, Feb. 15—Fifteen mink in cages were threatened when a grass fire in the rear yard of the Joseph Pinto, Sr., home, Anderson street, spread on Wednesday. Anthony and Joseph, Jr., sons of Pinto, are in the mink raising business. The fire is said to have spread from an adjoining plot.

## SPORTSMEN'S BRIEFS

By John Baker, Jr.

This beautiful weather we have been enjoying the past few days reminds the fishermen we are but two months away from the official opening of trout season.

This is the time of year when we should be replacing those broken windings and the guides that are worn. Then too, don't forget to carefully sand each section, tighten loose ferrules and finish with a light coat of good spar varnish.

Boots and waders should be carefully checked for any needed repairs and hung in a cool dry place. Those heavy woollens, that feel so good during the early season when the ice accumulates on the guides and the hands are too numb to hook a garden hackle on, might need a going over by the little woman. And last but not least, the tackle should be cleaned and oiled, hooks should be honed and flies steamed over a boiling tea kettle.

### Bristol Fish & Game Protective Association News

The monthly shoot of the Bristol Fish and Game Protective Ass'n was held last Sunday at the Club's shooting grounds with twenty-five shooters participating in the event. High gun honors went to P. R. Davies, second place to J. S. Fine and a three-way tie for third to S. Kelly, R. Arnell and B. Miller. Divisional honors went to M. Haines, Jr. and V. Carney. Turkey, the prizes for the dead-mark events, were awarded to Raymond Robinson and Victor Carney.

Membership Contest: Our goal for 1952 has been set at 1000 members. A 94-30-30 model Winchester rifle will be awarded to the person bringing the most members into the Association by June 10th.

Rifle Practice: Irvin Scheffey is doing a grand job of training a group of teen-age boys in the handling, shooting and safety of small bore rifles. Practice is held every Wednesday evening from 7 to 8:30 in the basement of the Y. M. C. A., Manson St., Bristol, Pa.

The National Sportsmen's Show opens Saturday, February 16th at the Grand Central Palace, New York for a one week stand, closing the 24th of February. The Bristol Fish & Game Ass'n will have a fine representation of casters to compete in the 5% oz. accuracy event on Sunday, the 17th between 12 and 2 p. m. With Bill Durr, the 1951 defending champion, as our key stone man together with Billy Brady, the 13 year old ace caster, Homer Hobbs and Ollie Hobbs as team mates, we should have a winning combination.

The official headquarters for the annual fishing contest will be the Bristol Hardware Company, 404 Mill St., Bristol, Pa. Rules for the contest will be announced next week.

Local anglers report the catch of suckers in the Neshaminy is exceptionally good now and a few good size carp have also been caught.

Have news from across the river of some proposed fishing regulations for 1952 in New Jersey.

Highlighting the new regulations is the proposal to create two additional "fly-fishing only" stretches of trout stream, because of heavy fishing pressure on the current two fly stretches, at Ken Lockwood Gorge on the South Branch of the Raritan River in Hunterdon County and at Big Flat Brook located in Sussex County, the Council has proposed the two new fly-fishing-only beats.

One is at Beatty's Mill Fly Stretch located on the Musconetcong River covering approximately three-quarters of a mile of water. The stretch of water involved is from the Mill Pond dam in Hackettstown downstream to the Route 24 bridge, which is also known as Schooley's Mountain Bridge. The other stretch would be on the Paulinskill River beginning at Vail's Bridge on the county road leading from Route 8 to Vail, N. J., downstream to Crisman's Bridge on Route 8 at Polkville Road. This stretch would be approximately a mile and a half in length. The two new fly waters would be operated under the same regulations as were in effect on Flat Brook and Ken Lockwood Gorge during 1951. After May 12th, fly-fishing only would be permitted with unrestricted angling prior to that date.

Another proposed N. J. regulation would open the 1952 trout season at 8 a. m. on Saturday, April 12th and extend uninterruptedly to September 30th. Other than on opening day fishing hours would be from sunrise to 9 a. m. There would be no minimum size limit on trout. Creel limit would be eight trout per day, of which number not more than four trout may be taken from fly fishing water.

## CHAMPIONSHIP OF LEAGUE IS PRIZE HELD OUT TONIGHT

The Lower Bucks County League championship will be the prize tonight as Morrisville Bulldogs and Bristol High clash in the Bristol "gym." Starting time of the junior varsity game between the teams of the schools is 7:30 o'clock.

The Bulldogs and Warriors have both won five and lost one in league competition. Neshaminy remains on the Bristol schedule, while Bensalem is the Morrisville team's final opponent.

The lone defeat suffered by Bristol was handed it by the Morrisville team on the latter's court. However, on the spacious Bristol floor, the Warriors are the favorites. Morrisville's loss came at the hands of the Pennsbury team on the Falcons' court.

Coach Ben Watson will start Andy Accardi, Bob Strobele, Jim Gallagher, Harold Loud, and Raul Stevens. In reserve, he will have Jack Bowe, Don Singer, Jack Allison, Walt Holden, and probably several junior varsity players.

The Morrisville team is fresh from a victory over St. John's

Catholic High of Philadelphia. Leading Coach Jack Mock's array is the high-scoring Johnny Krysa, who garnered 26 points against St. John's. Chuck Galambos, Jack Hanton, Homko, and Davis round out the remainder of Morrisville's starting lineup.

## BRADY'S SHOT AIDS THE HIBOES TO DEFEAT PROFY

Charlie Brady's set shot in the last three seconds of play enabled the Hibernians to beat the Profy team and gain first place in the Bristol Basketball League. The Hibers nosed out the Mill Streeters, 60-58, in an extra period match.

The score was knotted at 53 at the end of regulation time with "Ham" Konefal dropping in a pair of fouls to tie the count. In the overtime session, Brady was the whole works for the Hibernians with Al Burton scoring the five Profy points.

The Profymen lost the game from the foul line when they converted

but 10 of their 23 tries. The Hiboes were successful in 10 out of 18.

The game was deadlocked on four different occasions after the Corson Streeters had come from behind to take a first half lead. Profy's led in the first quarter, 23-17. In the half-time score was 32-27. In the early part of the game, Profy's had a 10-1 advantage but fast playing by the Hibers in the second quarter changed the complexion of the contest.

Brady accounted for 20 points for his night's work. He was the only player in the winner's line to hit the double figures. For the losing team, Konefal had 18 points with Burton getting 16.

## CORNWELLS BOYS TOPPLE R. & H. FROM TOP PLACE

In another thrilling Bristol Basketball League tilt, the Cornwells Boys Club toppled Rohm & Haas from first place by beating the chemical workers, 59-57, on the Goodwill Hose Company floor.

Al Bader's side shot with five seconds remaining to be played gave the Cornwells team the triumph. It was the second time this season that

Cornwells beat the Rohm & Haas boys.

Fine floor work and shooting on the part of "Pete" Bound was mostly responsible for the CBC's win. Bound was brilliant in the final quarter as he helped to overcome a 10-point Rohm & Haas lead. It was his two field goals which tied the count and set the stage for Bader's winning double-decker.

Bound scored 15 of his 17 points in the final quarter. "Eddie" Oliver chipped in with 17 points. For Rohm & Haas, Walt Zook amassed 20 points and Nick Spadaccino, 16.

Cornwells would have had an easy time of the game but for its miserable foul shooting. It was successful in 7 out of 25 tries and

In the early part of the contest made but one conversion in 12 tries. In fact, the Cornwells boys began to waive their foul tries early in the contest.
